

## Team Sponsorship Form

Corona Girls Softball Association is a nonprofit softball league, welcoming girls between the ages of 4 and 18 years of age. We encourage all girls from beginner level to the advanced to join our league. We are dedicated to teaching our girls sportsmanship, athletics, self-worth and good character, as well as what it means to be part of a team, while also having fun in a safe, family-friendly environment.

Our league is dependent on the contributions of Sponsors to help with the day to day operations of our league, as well as to provide improvements and maintenance to our fields and equipment for our players. The generosity of Sponsors is what makes our League Operations possible. We value that our Sponsors recognize the importance of investing in programs that will benefit the youth of today, helping them become the leaders of tomorrow. Contributions to our league are 100% tax deductible.

As a Valued Sponsor, you will receive the recognitions listed below in each Sponsorship level, however, more importantly you will receive the appreciation and gratitude of the of all of our players, parents, and many volunteers that dedicate so much of their time to keep our league going strong.

Thank you in advance for your support of the Corona Girls Softball Association. Working together we can make a big difference in the lives of many young, talented, amazing girls.
