2022-23 Club Membership

Just a reminder that the USA Wrestling membership year runs from September 1 through August 31 of each year. Your club liability insurance will no longer be in effect after that date. Membership renewals are now open. USAW still requires, to charter a club, a current USAW Wrestling Leader membership must be listed on the club charter to renew. Again this year, coaches and officials are required to complete a Safe Sport refresher course before renewing their USAW card. Background checks are only good for one (1) year, so make sure you are up to date and if not allow ample time to complete the following steps this season to renew your club charter and coaches cards. If your club plans to hold practices, camps or other club activities on or after 9/1/22, please submit your club charter online at usawmembership.com. Insurance certificates can be found within the membership site under certificates.

NEW-Sports Stack will be ISWA and USA Wrestling new website provider. For those clubs wishing to keep Sports Engine please reach out to Sports Engine on how to keep your current webpage. USAW along with ISWA will be moving to Sports Stack platform for our website as of October 1, 2022

Also you are able to note your club affiliation within your profile.

New members please note after creating an account for a new member age verification is required. This verification will allow members to remove "pending" on USAW card and avoid carrying birth certificates to tournaments.
