

2020 Elk River Football – Team 129

Elks Quarterback Club

(Booster Club for the Elk River HS Football Teams)

The Elk River Quarterback Club was founded in the fall of 1958 and has supported the programs in many ways through the years. The club's predecessor was the Commercial Club made up of Elk River Business men who supported the local athletics. In many cases the club would provide transportation for the players to their rural homes and farms allowing them to play football. This tradition of support continues today.

The Elk River Quarterback Club is a non-profit booster club made up of dedicated individuals who get involved with fundraising and other activities whose sole purpose is to support the football teams in Elk River. They meet the 3rd Monday of each month at 7:00 pm in Room 354 at Elk River HS

The money from the fundraising efforts are used to pay for the following ERHS Football Activities:

- Funding Assistant Coaches at all levels (8 coaches in 2017)
- College Scholarships Awarded Each Year for graduating seniors
- Football Uniforms for all levels, Varsity in 2017
- Football Equipment and Uniforms for all levels
- Pre-game meals for the players for Varsity/JV
- Money for post game snacks/food for Freshman and Sophomore teams after their away games
- Improvement of the outdoor athletic facilities.
- New Sound System for Athletic Stadium
- New Press Box for the Jerry Schempf Field
- New Ticket Booth for the Jerry Schempf Field
- Weight Room Equipment and supplies
- Video Equipment and online film and scouting programs
- Winter and Spring open weight room for all ERHS Students
- We also provide a safe, adult supervised post game parties after all home varsity games
- End of year banquets for all levels
- Plus much more.....

All families are encouraged to join the booster club. **Get involved** and help make the experience for your son be a positive and lasting one. Parent volunteers are needed throughout the year.
