On behalf of Ashwaubenon High School, welcome to the 2023-24 season of Jaguar Basketball! I'm excited for the season; we have much to look forward to with two outstanding programs of student-athletes competing, working hard, and determined to have success on the court.

Thank you to the Ashwaubenon Girls Youth Basketball Association, Ashwaubenon Basketball Association, and Jaguar Backers for their generous contributions to our high school and youth programs. I could not be more proud of the positive contributions these programs and boosters make to our students and our community! We appreciate the commitment of Scott Biely, AGYBA president, AJ VandenHoogen, ABA president, those who serve on the AGYBA and ABA boards, and all the parents who dedicate their time so our kids can play the game of basketball!

As WIAA members and role models for our student-athletes, we take pride in our sportsmanship and expect positive behavior at games, win or lose. Please show respect for the teams, other spectators and the event, and for the integrity and judgment of the officials. We are all responsible to cheer on our teams in a positive manner. We expect nothing less.

Let's support our athletes and their teams and coaches by remembering to let the coaches coach, the players play, and the officials officiate. It's the Jaguar Way. Best of luck to all of the student-athletes participating today!

Sincerely,

Nick Senger, CAA
Athletic/Activities Director • Associate Principal
