Due to the massive rain-outs the season was extended three more weekends thru May 31, 2015 (excluding Memorial Weekend). This pushed the End of Season Captain's Meeting to Monday, June 8, 2015.

As the season moved through the month of May the rain continued with myriad games not being played. Because of this extreme situation the Board voted to not have an End of Season Captains Meeting and for the first time in league history prizes were not awarded to Champions and Finalist. This was due to the fact that most teams only played 5 or 6 games. Some teams only played 2 games because of the record-breaking rainfalls.
