

# DYFL Season Map

Use this map as your guide to better understand where DYFL Events take place during the season.

- A. Dickinson High School Football Shed** or more commonly known as the DHS Shed, or Shed. (Equipment Check-out & Check-in)
- B. Practice Fields** – During the season, all teams will practice on these fields. (Weekly Practices & Skills Combine)
- C. Game Fields** – On Saturday we will use two game fields. Always check the schedule to know where you play.

*Coach John Tuchscherer and AD Guy Fridley have been very generous in allowing the DYFL to have access to storage and fields on the campus of DHS, we ask your help in keeping it clean for all to enjoy*
