

Vancouver Community Baseball

June 28th, 2020 Season Update

Dear VCB Players, Parents, Coaches and Volunteers,

Vancouver Community Baseball's (VCB) Board of Directors would like to inform our baseball community of the current situation facing our season, as of today, June 28th, 2020. Providing baseball for our youth is not a simple task this year and we make decisions for our league based on health and safety guidelines, current facts and much communication, discussion and deliberation.

On June 25th the Board of Directors of VCB conducted another special AGM. Given all the data provided by: Vancouver Parks Board, Baseball BC, BC Minor Baseball and ViaSport, the Board of Directors has unanimously voted that: **as of July 3, 2020 if we do not have a clear and definitive date for resumption of baseball games, the 2020 Season will be cancelled.**

An update will be forthcoming based on the information we receive this week.

With great appreciation,

Vancouver Community's Board of Directors
