

Loading a District 5 Game using Gamesheet App

- When you open app on iPad you are presented with this screen
- Step One is to Verify iPad is logged into the District 5 League

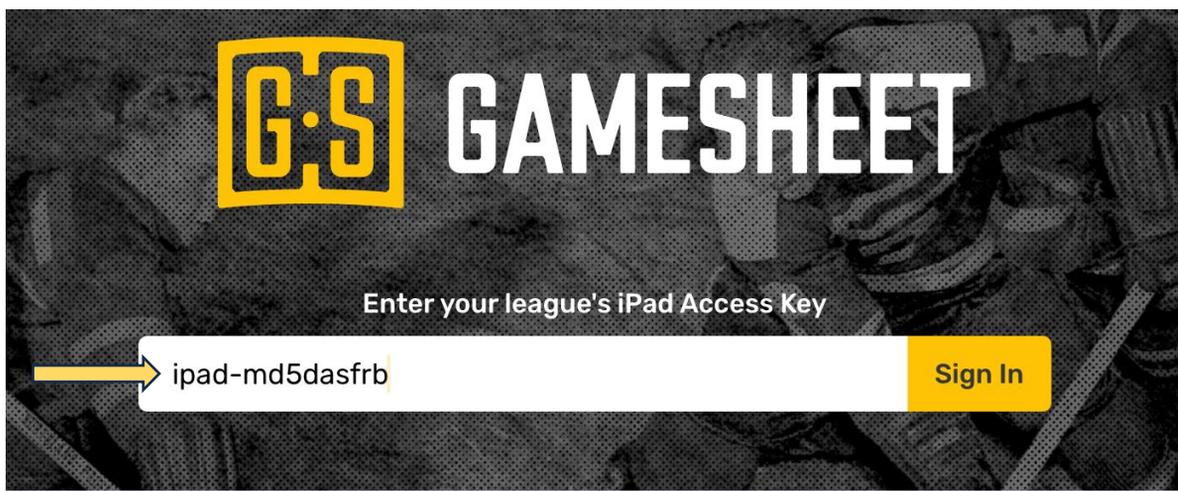

- If correctly signed in proceed to +New Game selection. Otherwise follow next couple of steps with First being to Logout

- After logging out you are presented with this screen

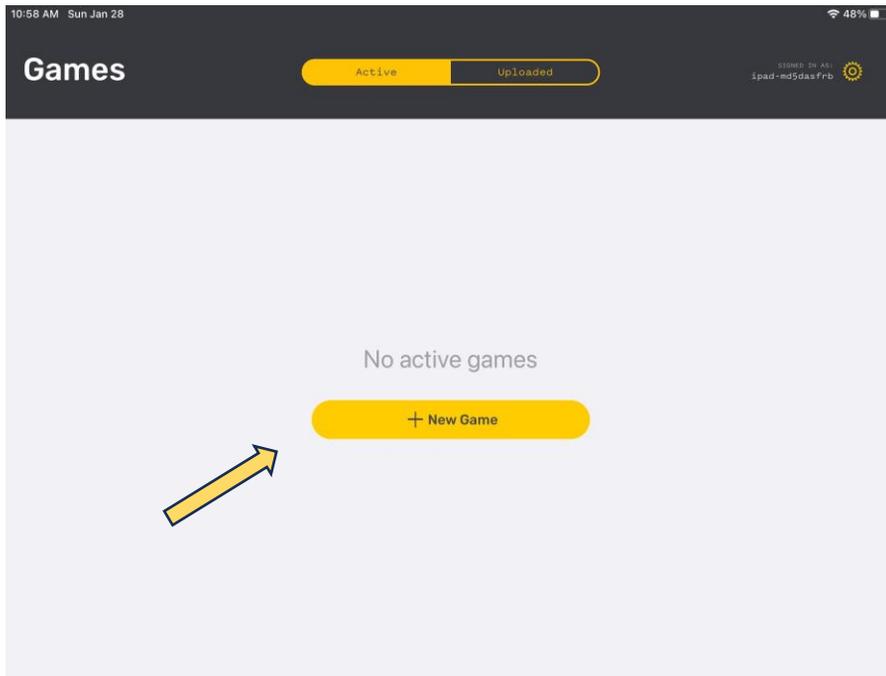

- Select **New Game**

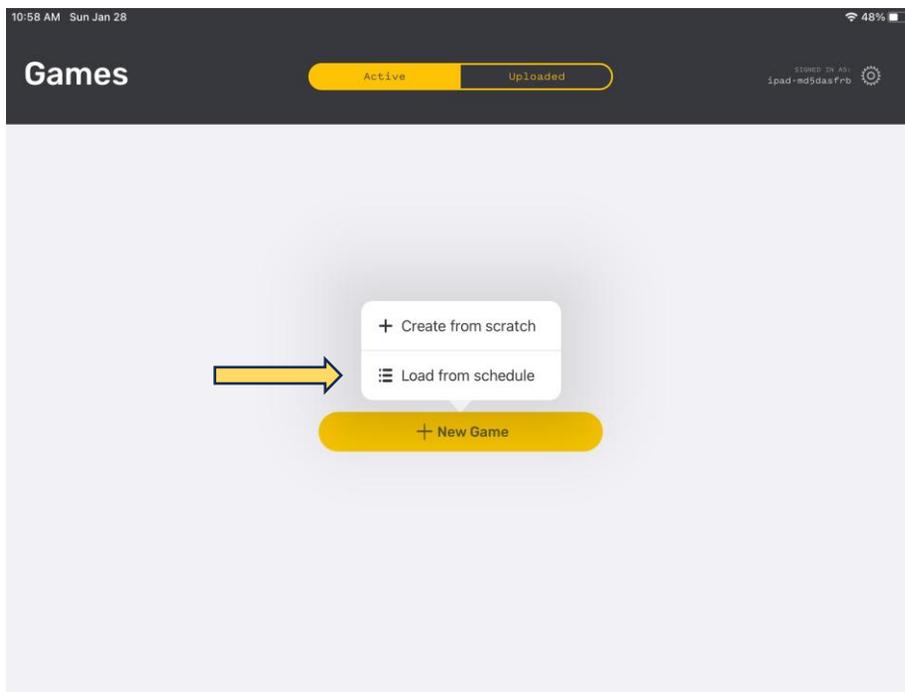

- Enter this Access Key Code `ipad-md5dasfrb` and select Sign In

- Once Logged into **Correct Season** start game selection here:

- Select **New Game**

- Select **Load from schedule**

- When this screen opens there are a few selections to make from menu across the top.
- **First make sure the date of game is correct** (it defaults to current date)
