Reports:

Treasurer – once an invoice is created in Sports Engine you can go in and make adjustments instead of having to void the entire invoice and resend. We have paid the ice for Feb, still need to pay for Mar but we will have a lot of credits.

President – minutes from last WAHA meeting have gone out – nothing too important. There is a meeting this week – Bob cannot make it, Matt will go.

Vice President/Ice Scheduler – a couple mix ups with the website not matching on ice, but it's been pretty smooth.

From Ben – locker rooms have been atrociously dirty. Has noticed that there haven't been any adults around, we need an adult in the vicinity. Make sure everything is picked up when leaving. Bob will email ALDs, managers, and coaches as a reminder that parents need to be near the locker rooms and they need to be cleaned.

Tournament Director – Bantam B state tournament here March 1 weekend, we will need all hands on deck.

For next year tournaments we need to plan in the spring – figure out when other teams are having it and at what level and plan around that.

Volunteer/DIBS – someone has asked to clean the rink instead of working concessions. We need to work with Ben to see what we would get paid for it as volunteer hours are used as a way for the organization to get paid.

Registrar – nothing to report

Webmaster – nothing to report

Fundraising – setting up euchre tournament as a fundraiser. Nicki, Erica, Laura will help with Just Add Ice.

ALDs –

Learn to Play – in the last week and a half 2 people have signed up for LTP, we will need to prorate the registration to \$25.00. However, when they signed up they had to pay the full \$25.00, we will need to refund \$25.00. Three sessions left, we still have players volunteering. Last session is on the 24th, Kris will order pizza and get reimbursed. There are a handful of kids skating in Oregon LTP that should actually be in Madison. If they continue with Oregon they will need a release.

6U – nothing to report

8U – nothing to report

Squirt – nothing to report

Pee Wee – nothing to report

Bantam – Bantam B was in the Observer this week for their tournament.

High School – Thu, Jan 24 – big high school game, get your teams there.

Old Business:

Position/event binders/duties, continue to work on these

Jerseys – going over the survey to make sure we are good with it. Removing a couple questions – adding benefits of a rental program to the email. It will be sent out on Tuesday email Tom if you have any questions or changes.

Equipment rental for LTP – we will have to go through all the bags to see what needs to be tossed and what can stay. Possibly a gear swap at the end of the year – take the bigger stuff as for smaller stuff.

New Business:

Pictures for next year – suggest going back to Jen Daley as the bigger companies can't get their shit together. Instead of going with a company, we will go with a parent and ask for bids/if they want to work together.
