

Dear Friends and Neighbors,

The student-athletes at Los Alamitos High School are a great source of pride for our community, especially our football team. With over 325 wins, 18 League Championships and 4 CIF Championships our philosophy for the upcoming season is to respect the past and attack the future.

This year we would like to follow up on the great success the team experience with our new Coach and program leader Ray Fenton. The program reached the CIF semifinals in 2017 and was the undefeated Sunset League Champions in 2018.

The strength of the football program is well known throughout the community of Los Alamitos. This tradition of excellence continues, as we have already begun planning for an outstanding upcoming season.

The LAHS Football Boosters is a 501(c)(3) non-profit organization. We are currently raising much-needed funds for uniforms, travel expenses, technology upgrades and athletic facility improvements with a main focus this year on the protection of our student-athletes and affording them the opportunity to continue playing in such a physically demanding sport.

With an eye on the future and to ensure the safety, quality, and protection needed to play in today's game we are raising funds specifically for the purchase of state-of-the-art equipment and technology to ensure we remain the highest quality football program in the area.

Can we count on you for your support and a donation to our program with an auction item or service for one of our upcoming events such as our Golf Tournament or silent Auction? Your generous donation is tax-deductible and all donors will be recognized on the website and auction bid sheet.

On behalf of our coaches, families, and especially our players, thank you for your consideration and support. With your assistance, you are helping to ensure a successful future for our football program and the student-athletes we produce.

Should you have any questions or would like to arrange for a donation pick up, please contact me at your convenience at (562) 225-6100 or any Board member through our website at www.LosAlFootball.org.

Sincerely,
Jason Ferrier
