

Welcome to the 2019 Barrington Broncos Spring Hockey Development Program!

Dear Present and Future Barrington High School Hockey Players:

We are proud to announce the Barrington Broncos 2019 Spring Hockey Development Program! Open to current 8th graders in the Barrington 220 School District, as well as freshmen, sophomores, and juniors at BHS, the spring program is a great opportunity for players to get familiar with the coaches, systems, and their future classmates. 8th graders are strongly encouraged to participate if they intend to play for the Broncos team in the fall.

The cost for the the 2019 Spring Program is \$550 per player. Please register online at www.bhshockey.net or through this link: <https://bhshockey.sportngin.com/register/form/241938573>

Early Sign-up Bonus! - The first 20 to register will receive a "Broncos" baseball hat!

The Barrington Broncos 2019 Spring Development Program will focus on skill development through small area games, team practices, and scrimmages against Scholastic Hockey League and other local HS hockey teams. The purpose of Broncos Spring Hockey is to better prepare players for the 2019-20 Fall season. We anticipate fielding 3 teams: 1 Varsity and 2 JV teams. Varsity and JV1 Spring Teams will play 8-10 scrimmage games against Scholastic Hockey League teams. JV2 will play 8 games in the Rolling Meadows Spring League. Tuesdays and Thursday sessions will consist of team practices, 3 on 3 half ice games, and skills. Home game slots for all teams will be on Sunday evenings.

New for this year As part of spring registration, players will receive a "Broncos" spring jersey. Please indicate size preference during registration. Please note that Barrington Broncos Hockey Club does permit registered spring players to "double roster" with other Tier 1 and Tier 2 hockey clubs during the spring season. Additionally, all registered players will be placed on a team.
