PARADISE LITTLE LEAGUE EQUIPMENT DRIVE

Camp Fire Relief

The loss from the Northern California Camp Fire has been devastating to the town of Paradise and its families. Most of the 500+ PLL kids did not have time to gather up their belongings before the wildfire overran the town. Most of their homes were destroyed and their baseball fields are now unusable.

Paradise Little League is in need of baseball and softball equipment to provide to its players who have lost so much, but still have the spirit to play ball this year. It's a good time (and for a good cause) to collect your outgrown gear and donate to PLL. Help PLL enable their kids to continue playing the sport they love!

We will also be collecting any monetary donations. Please have checks made out to **Paradise Little League** or go to the GoFundMe website to donate:
