Our Leading Report Caught up with RED after Sunday's game and Filed this report.

OAKHURST, NJ - Everyone who has been in the league knows that RED. He's the player who is always first at the field, the player who gives 100 percent 100 percent of the time. But who knows what makes this man tick. This exclusive in depth interview will show you what makes Red Nesser different from all the other players in the league.

DSL: What is the secret of your success?

RED: Being surrounded by quality players and going after defensive players first. Defense is the key to winning.

DSL: Which professional baseball player do you admire the most?

RED: Gil Hodges.

DSL: You've been in the league for 13 years, which team did you enjoy playing on the most?

RED: That's a tough question, but I would have to say the 1978 RED DEVILS. That was my first championship team.

DSL: If you were a Captain this season and had first pick in the league, who would you select?

RED: Jacky Haddad.

DSL: In your opinion who are the top 5 players in the league?

RED: Jack Haddad, Elliot Braha, Jack Braha, Nathan Tawil, and Ed Mishan.

DSL: As a pitcher, which is the toughest batter for you to get out.
