

What are we trying to do?

- Use the Word of God to help our athletes, parents, and coaches to grow in their faith in Christ.**
- Use quality coaching and planning to aid the athletes in reaching their God-given potential in track & field.**
- Help athletes to personally improve throughout the season.**
- Help the team to improve throughout the season.**
- Be successful at the conference, regional, sectional, and state levels by tenaciously working at the first four, previously mentioned, points.**
- Have Fun!**

To sum it up, our Goal is:

1 Corinthians 10: 31b – “whatever you do, do it all for the glory of God.”
