

Mike,
Happy Easter to you and your family.

I want to thank you again for putting on a wonderful hitting clinic. I love seeing the organization of the practice and the hustle from the kids (and Coaches). Time is used so effectively and efficiently. There is a spark in Jon's (Jonny's) eyes that has been missing for the past few months.

Thank you for your time,
Val

Hi Mike,

Jackson has enjoyed the camp. We have pretty limited playing time here in the Great White North (Canada) so please keep us posted on future camps.

Have a great last day!! And good luck with your teams this year

Thank you,

Thanks, Mike!

Gavin absolutely LOVED the clinic and said leaving "I'm gonna miss this place." LOL. Mike and I were very impressed with the level of detail that your staff provided. As a parent, you want to provide the best for your child but when you are somewhat new to the game ... the best advice is to learn the fundamentals - especially parents.

Thank you for making this a great experience for Gavin and for us as parents.

We will definitely be back for more!

Mike,

This was Austin's first clinic and he was sad it was over. I was there all three days and watched your staff interact with all the players, giving each player their personal attention all three days. Thank you and your staff for keep the love of the game alive for my son. We will see you and your staff at the next one.

Thank you. Kyler really enjoyed it. Funny story, the day before camp I told him I was really excited for him to learn from the coach that I learned from. He gave me a look and said, "he's still alive". Lol.

Thanks again,
Scott

Hi Mike and Staff,
I just wanted to thank you all for another "well done" clinic (hitting). My son certainly did learn a lot in the past 3 days. I learned a lot too. I can't wait for his next game. You always do an outstanding job!!

Thanks so much,

Mike,

I wanted to thank you for putting on a great camp. Jake really enjoyed it and it helped him alot. He is looking forward to attending another camp in the future. You have a great organization and we appreciate your time and efforts as well as your coaches. It's the little things that make the difference and I appreciated your attention to those "little things".

Thanks So Much,
