

Athlete and parents,

It's time for the **BATTLE OF THE BEST KICKOFF CLASSIC!!** I'm looking forward to being at the event and evaluating athletes who have the desire to play in college.

If you are hoping to play in college, reply to my email and send me your video clips so I can do an initial evaluation of your skills. You can also complete the form here at [NSR/BattleOfTheBest2023](https://www.nsr-inc.com/BattleOfTheBest2023) and send me your request to be evaluated and scouted in Houston at the 7-on-7 event.

College coaches all over the country are communicating with me about the athletes I evaluate and offer!!! Will you be next? Get me your video or complete the form above to get added to my college recruiting watch list this weekend! #NSRchosen1
