All Junior Basketball League participants in VABA's 1st-2nd grade Division are invited to participate in VABA's End-of-the-Year "March Madness!" Teams participate, for 15 minutes, getting the opportunity to play on the big court and have one, final, on-court experience with their teammates!!

The most exciting part of this experience is that each kid gets his/her name announced over the loud speaker to cool intro music and all the fans get to cheer on each child! The bleachers will be out for all fans! It's a big blast for the kids!

JBL 1/2 "March Madness" consists of a series of 12-minute, "mini-games." Match-ups are listed above. As per normal league rules, no score will be kept. The clock will be set at 12:00 and will run as the kids will play. Coaches will form two "rotations" and subs will be made at the 6:00 mark.

Arrive at your "mini-game" 20 minutes early. All mini-games run on-time, if not early, provided everyone is present and ready to play. Player intros will be made between games. Games are played long-ways on the BIG COURT! Teams should line up behind their benches prior to their rotation so they're ready to be seated and introduced for their games. Coaches must come with rosters prepared for intros.
