

Join us at our annual fundraiser

“Bucks Bash”

March 7th, 2026

Tickets available at
www.bozemanbucks.com

Join us as we celebrate the Spirit of Baseball in our community through our upcoming fundraiser and auction at the Armory! This casual night out will include dinner, drinks, and a DJ with dancing. We'll have exceptional silent and live auction items for bid. Your participation makes a difference, contributing to the growth and success of baseball in Bozeman. Funds raised will support both the Legion and Youth programs in our community.

Proceeds play a pivotal role in advancing our initiatives. Funds from previous events have contributed to completing the Buck's Club Indoor Facility, ongoing Youth player sponsorships and help pay for travel expenses for both the Youth All-Star and Legion players.

We appreciate all of our sponsors who allow our players to grow their skills and share their love of baseball with the community. We thank you for your support!

The Bozeman Bucks American Legion Baseball Club is excited to welcome back Dan Purpura as the Head Coach for 2026. Coach Purpura has been with the program for 20 years, starting as a volunteer when his son played. He has coached for the B and A level squads and will remain at the helm as the AA coach. Coach Purpura wrote about his coaching philosophy in a letter to the Executive Committee:

“I emphasize player development and creating a fun atmosphere where the players look forward to coming to the field for practice and games. Over the years, I have helped develop many players that have contributed to the success of this and other programs and have gone on to play in college.”

“Realizing one’s potential is valuable and transfers to all areas of life. With my experience as a player, coach, and parent, I can help players with their individual skills and blend them into a team that competes with a fierce joy and respect for the game.”

Come out to Heroes and take in a game in 2026!
