## SafeSport Questions

### 1. Do I need to take the SafeSport Training every season?

YES. As of 4/1/20, SafeSport Training and the Refresher Course Training are valid for only one (1) season

### 2. Can I use the same email address as someone else in my family to complete the SafeSport Training?

**No**, since an email address can be used to login for training, the same email address cannot be used to register multiple persons for SafeSport Training. You will need to use a separate email address for the training.

### 3. How do I register for the SafeSport Training?

You will need to access/register for SafeSport Training using the link provided on our site under "Register for SafeSport Training" or "How to Register for SafeSport." Instructions on how to register and access the training courses can be found here <https://www.usahockey.com/safesporttraining>

### 4. What is the access code?

We do not use or have an access code. You will need to register for the training by using the link provided under "Register for SafeSport Training" or under "How to Register for SafeSport."

### 5. Why can't I just take Refresher Training again?

Please note that there is new and updated content for the Core SafeSport Course. Everyone **must** complete the Core SafeSport course before being eligible to complete the Refresher course.

### 6. What is I don't receive the email confirmation to start SafeSport Training?

Please contact [help.desk@safesport.org](mailto:help.desk@safesport.org).

### 7. What if I am locked out of my account?

Once you have registered you will receive an email from [No-reply@safesport.org](mailto:No-reply@safesport.org) with the subject titled "SafeSport Account Created." Please open the email and click on the "confirm email address." If you do not receive an email, please contact [help.desk@safesport.org](mailto:help.desk@safesport.org). If you have received the email and confirmed and are still locked out please contact user support at [help.desk@safesport.org](mailto:help.desk@safesport.org) or 720-676-6417.

Please contact user support at [help.desk@safesport.org](mailto:help.desk@safesport.org).

## 9. What do I do if I receive a “verification” error when I enter my USA Hockey confirmation number or referee number?

Please be sure to use your **CURRENT** USA Hockey confirmation number. Sometimes when you copy and paste your number there is an added space at the end. If you are a referee, please use your referee number and last name only (be sure confirmation number field is blank). Please make sure there are NO SPACES before or after the confirmation number or referee number.

Players; the training is for those with a 2008 or earlier birth year.

## 10. What if the training won't start or it freezes?

The course videos require Adobe Flash Player when being viewed on desktop and laptop computers. It is possible that your network administrator or ISP is blocking Vimeo videos. If the video does not play then you will want to contact your network administrator or ISP to have them allow Vimeo, or you will need to take the training from another location. If you need additional help, please contact [help.desk@safesport.org](mailto:help.desk@safesport.org).

## 11. How come I didn't receive an email after I completed the SafeSport Training?

You will not receive an email notification once you complete the training. Your SafeSport Trained certificate is proof that you have completed the course.

## 12. How do I obtain a copy of my SafeSport Trained certificate?

You will no longer receive a SafeSport certificate. You will receive an email stating that you have successfully completed the course.

## 13. How will my program know that I completed SafeSport Training?

Information from the training site is automatically downloaded to the USA Hockey database on a nightly basis. Local program registrars will also be able to check (through the USA Hockey Registry) to see if athletes/coaches/managers/volunteers in their association have completed SafeSport Training and it will be indicated on team rosters. If you are a referee, SafeSport Training will be indicated on your referee profile, though it can take a few days for this to appear on your profile. If your completed training doesn't automatically download to the USA Hockey database, contact the USAH High School Registrar ([Michelle.Miller@usahockey.org](mailto:Michelle.Miller@usahockey.org))

## 14. What if the SafeSport training is not appearing on my USA Hockey Courses page?
