Diamonds & Bombers Families,

It has been a long time since I sat down and created a newsletter for our families. We continue to battle a nasty pandemic which has changed the landscape of all the things we have taken for granted.

On a positive note we continue to be strong as a Club, bring on new coaches and teams and as always provide one of the best experiences for our players of all ages and skill levels. If not for the tireless efforts of all our volunteers none of this would be possible.

As we head into the Holidays, I just want to say a HUGE thanks to all the coaches and volunteers that have contributed to all our successes.

Jeff Dunning

Player Payments and Balances

We have been late in getting player statements out for the 2020-2021 season. We are working hard and all statements should be out in the next week or so. New this year is that the statement balance shows what is due at the time of the statement. There is a reminder of what the full player fee is, but the statement now takes into consideration the payment plans.

Please stay on top of your payments, as always if there are any issues please reach out to myself or treasurer@codiamonds.com

Reminder that payments are due according to the commitment letter that you signed.

Payment Options are:

Venmo to: @CODiamonds

PayPal & Zelle to treasurer@codiamonds.com

Mail to: PO Box 621272, Littleton, CO 80162

Or leave payment in the mailbox at the Training Center.

Announcements

Board of Directors

Please join me in welcoming Steph Martinez and Greg Bush to the Diamonds/Bombers Board of Directors. They both have offered up more of their time to continue to help improve the things we do.

Club News & Happenings

Elite Player Camp - Update

The past couple years we have sponsored an elite player camp over the winter and have brought in special guests to help with the camp. Due to the COVID guidelines we will not be able to accomplish that this year.

We are working on some smaller camps and clinics to take the place of that event and details will be coming soon.

Player Registration

All players need to complete a player registration online at the club's website. It is a quick process and is important for many things one being insurance.

Please register your player at: [Player Registration](#)

Sponsorships

The Diamonds/Bombers are looking for corporate sponsors to support our efforts around our training center. As a club we have over 150 players whose families and friends access our various websites and teams' pages regularly. We also have advertising options at our training center.

Sponsors will get promoted on our website, TeamSnap pages and indoor facility as appropriate.

See attached flyer for more information.

Social Media Etiquette

I have seen a lot of social media posts the last few months that have been personal in nature. While nothing has come from anyone associated to us, I think it is important to remind everyone that we should not be using social media as a place to vent. If anyone has issues that need to be addressed as it pertains to parties within the softball world please bring them to me so we can sort them out internally.

Fundraising

King Soopers Cards

The Diamonds participate in the Kings Soopers Community Rewards Program. Families can get 5% back on all purchases at Kroger Brand Stores, including Fuel.

Families need to register their SooperCard online and select the Colorado Diamonds (PQ983) as the organization to support.

These funds are available quarterly. See attachment for more information.

Club News & Happenings

Training Center

Based on the current COVID-19 guidelines we are limited to the number of people who can be in the training center at any one time. This means that we will be limited to a single team for the foreseeable future. Our capacity to train has been cut in half if not more and this is hard for our teams and players. We are working hard to find some other alternatives for winter workouts. Please understand these restrictions are not the most convenient but at least we are getting some work in.

Parents keep in mind that in order to keep the numbers down we ask that no parents attend the practices and that you try and not arrive more than 5 minutes prior to your scheduled practice time. Players should be reminded to not share any equipment, have their own water bottles and wear masks coming and going with the facility.

We will also be reminding our coaches to properly clean and disinfect the facility and equipment after their practices.

Social Media

In 2021 we want to make a bigger push to do more on social media to promote all the great things we are achieving. This includes Facebook, Instagram and any other outlets that make sense.

To do this we are looking to have each team add a social media representative and add them to TeamSnap as such. This person will be responsible to:

- Share team photos and descriptions of accomplishments (team and individual), team activities, action shots.
- Share information regarding fundraisers
- If a team has a Facebook or Instagram page they must follow the Diamonds/Bombers @codiamonds and @cobombers
- Tag the Diamonds and/or Bombers in social media posts.

You can also message things through the Facebook and Instagram messaging utilities.
