2. TSRL - Problems with USSSA, Contract was up Dolen got an E-mail Contract was up and they needed to start anew, They looked at options for their league and the went with PNWSA ran through A3. All the rules etc is the same, rosters, fees, etc. All tourneys will use our umpires etc through CSSA, they didn't have much choice with USSSA. They were using umpires that they found, yet they would still have to pay USSSA for umpires etc so they wanted to go with PNWSA. They want to be in the exact same partnership as they always have. No sanction fee for their umpires. What rules are you using? Its the same rules as they always have, like CSSA, USSSA. Do they use the game day rule sheet, no they use their own, yes for Tournaments. Isn't there also a rule peel off at home, yes that is the other one, these have always been TSRL rules. Kim -Remind teams if everything stays the same, they need to have our balls for CSSA tournaments, They will order balls and each TSRL team will bring for tournaments.
