Coaches will be required to hand in their team list 1/2 hour from the start of the session for the tournament to the Tournament Director, any team rosters handed in after 1/2 hour after the start of the session for the tournament are not eligible for the team awards. At the end of the session the roster will be given back to the coach to fill out the place and points, it is the teams responsibility to check their math and make sure that the places recorded on this form are correct. Once the form is turned in to the Tournament Director the score is considered final unless the Tournament Director determines a math error would reduce the score, no increase in score will be allowed due to a math error.
