New Members \$150.00 Registered Members \$100.00
 pay online or in person

Mission Statement: The Mission of our In-House Basketball Tournament is designed to give Inner City Youth an opportunity to participate in a summer recreational basketball tournament that's organized, teaches sportsmanship teamwork and is fundamentally challenging. This league has rules designed to involve kids of all different skill levels, so they can learn, gain experience and compete on a modified level. For example, our league prohibits full-court pressing in order to help players learn how to advance the ball across the division time. Our program is available to boys and girls from ages of 4 -13 years old.

The goal of the organization is to give youth a hope for a better tomorrow by teaching them to utilize what they learn from their athletic experiences Many of our participants have gained the necessary skills to make their elementary, middle and high school teams. The kids in our program will be coached and supervised by college or semi-professional
