

# WESTON'S WARRIORS

Fight with the Paszkiewicz Family to help Weston beat Acute Myeloid Leukemia

Weston Paszkiewicz is a 3<sup>rd</sup> grader from Long Lake, MN. He was recently diagnosed with Acute Myeloid Leukemia, a type of blood cancer that affects the bone marrow.

Weston continues to fight like a WARRIOR as he endures chemotherapy and all that comes along with cancer treatment. He has a long road ahead with more procedures, chemotherapy and a bone marrow transplant on the horizon.

We invite you to join us in supporting the Paszkiewicz family through this difficult time. You can follow his healing journey and donate to the family by scanning this QR code.

*Scan the QR code to donate to the Paszkiewicz Family to help cover medical costs, and to follow along with Weston's journey.*
