**July 22, 2025**

**Attendees:** Rick White, Shellie Garon, Joe Garon, Steve Aries, Jess Stuckey, Shannon Toomey, Julio Rivera, Ashley Rivera, Lauren Marquis, Steve Marquis

**Meeting start time:** 8:34 PM

**Reports**

**Registrar:** Some Plaistow players are playing summer ball with HGSL and parents are going to speak with the Plaistow softball board about playing with us in the spring. Shannon also spoke with Danvers about possibly pulling players for the fall.

Currently, we do not have enough players registered for 10U or 14U fall ball. We could possibly split 12Us- 1st year 12Us play with 10Us, and older 12Us play 14U. Middle Essex sent out an email that there were several 14Us without teams and Shannon did reach out to those parents. Deadline for fall ball is 7/25.

**Treasurer:** Nothing to report

**Fields and Equipment:** Some coaches still haven't returned gear/keys. Fields seem to be maintained well.

**Commissioners**

**LL:** No Report

**8U:** No Report

**10U:** No Report

**12U:** No Report

**14U:** No Report

**Old Business**

Lauren sent an email to Jocelyn and they have been maintaining the fields over the summer. Jess spoke with Ben about more trash barrels- we need one at each field. Can we ask about getting a dumpster for HGSL use- and our own barrels?

Lauren will ask her colleague about how to set up a Venmo for the league that can be transferrable.

## **New Business**

Mark and Dawn are coaching Hillcats for this coming year and Mark is considering joining the board as Hillcats Commissioner.

Winter clinics: Do we want to book Seacoast United again or explore using a school gym?

**Next Meeting:** August 25, 2025, 7PM, location TBD

**End of Meeting:** 9:20PM
