**Announcements (made by President and VP):**

- We will need to set a cut-off date for registration. We have never done this before but with some of the issues last season we will need to do this.
- Early bird discount on registration, we will still keep the sibling discount.
- Someone reached out and asked if we would add another division for flag 8-10 years old, DB- with the way the league is now I'm not sure if we will be able to make that work. This is something we can discuss more in the future. Board agrees.
- We would like to hold a \$20.00 check for help in the concession stand as part of registration. If they do not help the check will be cashed. Upon helping their check will be returned. It is a good way to have more people step up and get involved.
- Please get the word out that we are looking for people to get involved, without the board there will be no league!
