#### B. GameChanger vs ScoreBook:

- a. Kevin Manning and Jacob Vincik presented the idea of using the GameChanger app for scorekeeping this Fall to replace the use of a scorebook. Commissioners will look into creating a league for LPBA.
- b. The use of a scorebook seemed to create issues as they were being misplaced, not being returned to their lock box location and were being left out overnight. We, as a board, are hoping this will help make the process of keeping score a little easier. We are aware it will take some time to get adjusted to this new way of scorekeeping, but we are hoping for a positive outcome.
- c. Jacob Vincik has been in talks with a company that will donate scoreboards that will be run by a mobile device. The scoreboards will be paid for by the use of paid advertisements during use of the scoreboard.
