

Let Them Play MN

We are asking for your help!

We would like the MSHSL to reconsider their decision. We are asking you to join us in an effort to reinstate football for our high school football players. We would encourage both parents and players to participate! They have requested you click on this link to <https://www.mshsl.org/contact> and to fill in all your personal info, select school affiliation, sport and then submit your request. **You will get an auto-replay with this submission, so it is very important that you also email an individual on the Board of Directors and copy all of them listed below for a personal response:**
