To: All Associations of NYSAHA

FROM: New York State Amateur Hockey Association  
Board of Directors

The New York State Amateur Hockey Association (NYSAHA) Board of Directors has retained the services of the law firm of HoganWillig of Amherst New York for the purposes of filing a legal action against the Honorable Andrew Cuomo, Governor of the State of New York et al to obtain a court ruling that will allow the resumption of hockey in New York State.

The Board may request information from Associations to support our position in court. We ask that if you receive such a request that it receive your highest priority in returning the requested information as quickly as possible.

The Board will keep everyone advised as to how these proceedings advance.

Please contact your Section Presidents if you have any questions.

Thank you.
