Tryout Information

Tryouts will be held for all 4th-6th graders who wish to participate in our winter season. Players must be enrolled in the Hibbing School District in order to participate. The goal of the tryout is to assess skill levels and place players on the appropriate team according to their current abilities. We will do our best to place players on the team that will allow them to have the most success.

It is our goal to keep teams no larger than 10 players to ensure adequate playing time for each individual. There may be multiple teams at a grade level or a combined team of players from different grades depending on the registration numbers. If numbers allow, we will create "A" and "B" teams (based on skill level) at the 5th and 6th grade levels.

Tryouts will be closed to spectators (parents & guardians).
