DECEMBER TUITION

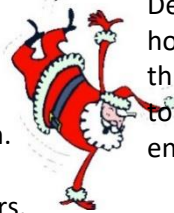

December & January tuition will remain the same as your normal monthly bill. Tuition has been broken down into monthly payments based on the number of weeks per year. You are actually paying for 48 weeks per year although we are here for 49 weeks. We don't charge extra for the months that have 5 classes instead of 4 so we are not going to charging less for the month that has 3 weeks instead. It all evens out. We wanted to give you a heads up since many people were wondering how December and January is charged. If you have any further questions, please feel free to contact us at the front desk.

AUTOMATIC ENROLLMENT

We continuously have automatic enrollment for team and recreational classes. If you are already enrolled in December and do not plan on dropping, you will be automatically enrolled in January, etc. **You do not have to re-enroll at any time throughout the year unless there is a class schedule change.** Please keep in mind that if you wish to drop, we require a ten-day written notice prior to the 1st of the month.
