Wins and losses do not reflect your determination, hard work, and friendships built throughout your hockey careers. Your impact within the community, Chaska youth hockey association, and each other will not be forgotten. The way you embraced this season, welcoming the younger players into the locker room, and being leaders on and off the ice will be used as a model for future Hawk players! The Hawk family wishes each of you nothing but the best in your future endeavors and thanks you for all you have done for the program!
