

What does the Registration fee cover?

- 7 regular season games plus single elimination playoffs for teams that qualify.
- A RISE ATL Sports Custom Jersey or T-Shirt
- If enough teams register (usually 7 Teams Minimum) playoffs will be split into an A and B level. **A level** will receive championship shirts, B.I.G. team trophy and League Championship rings(Basketball,Soccer) or Custom Flags/Medals (Flag Football). **B level** will receive championship shirts

How does Team Registration Process Work?

- The Team Captain will register the team and submit payment in full either through card or CashApp/Zelle. Once done the captain will receive a registration link to forward to the remaining team members. Teams that have not submitted payment will **not be added to the season.**

How does Free Agent/Small Group Registration Process Work?

- If you don't have a team already, you can sign up as a free agent and we will place you on a team with other free agents. We like to have at least 7-8 players on a free agent team in case players miss a week here and there. If we can not get the minimum amount then we will refund all fees.
- If you have a few friends, you want to play with i.e. 3-4 players you can sign up as a small group and we will add a few players to fill out the roster. Process works the

same as with a free agent sign up. Once all players have registered and paid just reach out to the league and we will put everyone on the same team.

How do I see my roster and schedule and talk with team mates?

- Once Registration is complete all players can download the Sports Engine app for Apple or Android and login with the account you created during the registration process. From there you will be able to see rosters, chat with teammates and see the schedule once it's loaded.
- Schedules are usually loaded 48-72 hours before the start of the season, with a full schedule (excluding playoffs done by week 3).
