

In an attempt to keep overall fees as low as possible, Edina Hockey Association has set up an association-wide program that allows eligible players and families to recoup their EHA Player Fee by opting in to sell Brew Pub pizza coupons. There is no product delivery or distribution required.

Each eligible EHA player who chooses to participate will receive 8 sets of coupons; each set is valid for 3 pizzas for a total of \$235 per player.

The coupons are redeemable at two locations ONLY:

Jerry's Foods (Vernon Ave. Edina)

Jerry's Foods (Anderson Lakes PKWY Eden Prairie)

During registration, the standard \$235 EHA Player Fee will be added to each player. If you choose to participate in the Pizza program, you will receive 8 sets of coupons in the mail to sell - and can therefore recover the entire \$235 EHA Player Fee (Alternatively, you can eat the pizzas, as many choose to do)

All players must choose to either Opt-Out or Participate. Each option is described below:

OPT-OUT: Families/players who choose to opt-out will only be assessed a \$175 EHA Player Fee for each eligible child.

OPT-IN: If you choose to participate, simply mark your selection and you'll receive the coupons in the mail about 2 weeks after your registration.

Multi-Player Families: The third+ child is only assessed a \$55 EHA Player Fee during registration. All 3 players must participate or opt out.

**** Please note, we review all "3rd Child" player fee selections. If you incorrectly note your child(ren) as "3rd Child" you will be sent a bill to correct the amount. ****

Only note "3rd Child" if your "3rd Child" is eligible to fundraise. Termites are not eligible to fundraise and thus are not to be considered when selecting a "3rd Child". Ex. If you have a Peewee, a 12U, and a Termite. You should not select "3rd Child" for any of your children because you only have two who are eligible to fundraise.

WANT TO SAVE EVEN MORE MONEY?? You can request additional coupons to sell to further offset your costs. Last year, some families were able to offset the majority of their EHA fees by selling additional pizza coupons. Email Judy at judy.goodman@edinahockey.org

Thank you for supporting Edina Hockey Association.
