Show Your Support with Sponsorship and Volunteer Opportunities

Magic Soccer FC is a holistic youth soccer club that has been a part of the Bismarck-Mandan community for 8 years. We strive to build character and confidence in our youth soccer players, with an overall goal to help everyone fulfill their utmost potential as a player and person.

On the weekend of March 11th through March 13th we'll be hosting our first annual indoor soccer tournament, the Santa Copa. This tournament will be held at the Fore Seasons Center (Golf Dome) and Sanford Power in Bismarck, ND. At these excellent locations we are expecting up to 150 travel soccer teams from around the region to attend this exciting event, along with their family and friends.

Parents and business owners, we need your help to ensure the operational success and financial feasibility of this tournament so that we can continue to host it for many years to come! There are opportunities to assist that range from volunteering as event staff, to having your business become an official tournament sponsor. We'll also be accepting donations of sealed or pre-packaged food and drink items (such as water, Gatorade, bars, etc.) that can be utilized in the concessions stand.

Please refer to the attached chart for detailed information about the volunteer event staff positions and business sponsorship opportunities that exist where you can help us make this a successful annual event!

Sincerely,

Ricardo Pierre-Louis
Director of Player Development
