

Decision Tree

Follow this decision tree to determine if your child needs to stay at home and quarantine.

Your child should NOT attend or participate in MVBA practices, games, events or activities if the situation/path leads to a box that calls for them to STAY HOME

COVID-19 Decision Tree for People in Schools, Youth, and Child Care Programs

Follow the appropriate path if a child, student, or staff person is experiencing the following symptoms consistent with COVID-19:
 • **More common:** fever greater than or equal to 100.4° F, new onset and/or worsening cough, difficulty breathing, new loss of taste or smell.
 • **Less common:** sore throat, nausea, vomiting, diarrhea, chills, muscle pain, excessive fatigue, new onset of severe headache, new onset of nasal congestion or runny nose.
