

## **COVID-19 Protocols – Effective 2/1/21**

**The following Rink Protocols must be adhered to and are the responsibility of the Parent, Team, and Organization to ensure they are followed:**

- All patrons must use separate identified entrance and exit doors
- All players and spectators must wear a mask. You will not be permitted in the building without it. Players can remove when going on the ice but must be put back on when exiting ice surface.
- Limit 2 Parents/Spectators per player for all games
- Limit 1 Parent for Youth Practices
- Social Distancing of 6 Ft in all areas
- Players should not arrive more than 15 min before ice time.
- Players are encouraged to come fully dressed except skates
- Players are encouraged to not bring hockey bag into rink
- Locker Rooms will be open, door to be left open and showers not to be used.
- Locker Room assignments on lobby board under TV.

- There are seat markings for distance seating on Locker Room benches.
- Additional chairs will be placed outside Locker Room for additional seating.
- Players are to exit building within 15 min of getting off the ice
- Bleachers will be open but Social Distancing must be maintained.

### **Rink Staff Health and Responsibility**

- Upon arriving rink staff are required to answer a series of health questions and receive a temperature check. If results do not meet standard, employee is sent home.
- If employee does not feel well, they are instructed to stay home.
- Staff must wear mask at all times when in building
- All public space touchpoints will be sanitized once per hour
- Locker Rooms benches and touch points will be sanitized wiped after each use.
