

# Youth Hockey

# SPONSORSHIP OPPORTUNITIES

## WHO WE ARE

The Sioux Center Youth Hockey Association is dedicated to providing a positive, competitive, and fun environment where kids can develop hockey skills, build character, and learn teamwork. Our program serves over 160 players, ages 4 to 18, from across northwest Iowa and beyond.

## COMMUNITIES REPRESENTED

Our players come from a wide region, including:  
Sioux Center, Rock Valley, Hull, Doon, Rock Rapids, Orange City, Hawarden, Le Mars, Kingsley, Paullina, and Sioux City.

*(primarily Sioux, Lyon, O'Brien, and Plymouth counties)*

## OUR REACH

Each season, our home rink hosts 100+ games, welcoming teams and families from more than a dozen other communities across South Dakota, Minnesota, and Iowa. This creates a strong regional presence for our program while bringing hundreds of visitors to Sioux Center every season.

## HOW SPONSORSHIP FUNDS ARE USED

Your support helps us:

- Offset the rising cost of ice time, making hockey more accessible for all families.
- Purchase equipment for our youngest players just getting started.
- Invest in training equipment to help players of all ages develop their skills safely and effectively

## WHY SPONSOR US?

Your sponsorship directly supports local youth, promotes physical activity and teamwork, and increases your business's visibility with hundreds of families across the region. Together, we can continue to grow the sport and provide high-quality opportunities for our young athletes.

*We'd love to talk more about how your business can be part of our team.*

Thank you for your consideration!
