WHAT WIN MEANS!

"The Aggregation of Marginal Gains"

The philosophy of searching for a tiny margin of improvement in everything you do.

• **On the Field - What is one thing I can do better?**

Every day you step on to the practice field you have one goal; to get better (+1) at your position which in turn makes us a better team.

• **Off the Field - What's Important Now? (W.I.N.)**

What can I be doing, right now, to improve my life, my team, my community?
