

2020-21 VEGAS JR GOLDEN KNIGHTS

Players, Coaches & Parents:

As we anxiously await the restart of society and what our fourth season of Vegas Jr Golden Knights Hockey might look like, know that much has gone on within the Hockey Club while paused. We have had weekly leadership meetings to plan for a smooth transition back to the ice and to improve our Hockey Club operations.

At the core of any successful Club is Coaching and Competition. We are excited that our growth and development continues, on both fronts, for the 2020-21 campaign. We have several notable personnel and scheduling highlights for the upcoming season, including:

- Brian Salcido adding the role of Director of Coaching to his Skill Development responsibilities
- 14U Girls team Scheduling Alliance with CA teams
- 12U, 14U and 16U Boys teams accepted into NAPHL Showcase Division
- Showcase Scheduling Alliance with NHL programs
- FL High School team part of ADHSL, with December Showcase
- 10U and 12U Development Team program continues
- Coordinated VJGK Club Skills Development, including power skating and goaltending
- Added events locally

Yet, we cannot predict when all our players will hit the ice again, or what that might look like. We are thinking of our hockey families and positioning ourselves to be ready for a safe return to the rink. We will post weekly briefs on our website at <https://www.vegasknightsgoldenknightsjr.com/>.

Everyone, stay healthy and safe... DE

Sincerely,

Darren Eliot
Executive Director
Vegas Junior Golden Knights
