Since all players on all participating teams have final exams the last two (2) weeks of May (or later), it was decided to play a 12 game schedule, all to be played prior to final exams, instead of playing a 11 game schedule plus an end of season tournament (to be played after final exams). Should there be any games postponed by rain, those games will be played as soon as possible after the postponed game(s). However, no make-up games will be scheduled during the final exam period. Games not able to be made up prior to final exams will be made up immediately after final exams are completed.
