**PROGRAM & SCOUT BOOK**

# **ATTENTION:**

## **All scouts, family advisors, coaches, etc.**

Contact with the players during this week's player development camp is strictly forbidden. We have produced a Scout Book, for your purchase, with the players' contact information. We sincerely hope that several of these players will draw the interest of your program. However, this week, the players have a demanding schedule and are in a very competitive environment. Please allow them to maintain their focus on the task at hand.

USA Hockey and the players appreciate your cooperation with this policy. **Please understand that violation of this policy can result in removal from the facility.**

If there is any information that you might need, please don't hesitate to ask the camp director.

### **SPECTATOR'S CODE OF CONDUCT**

- Display good sportsmanship. Always respect players, coaches and officials.
- Act appropriately; do not taunt or disturb other fans; enjoy the game together.
- Cheer good plays of all participants; avoid booing opponents.
- Help provide a safe and fun environment; throwing any items on the ice surface can cause injury.
- Do not lean over or pound on the glass; the glass surrounding the ice is part of the playing area.
- Support the referees and coaches by trusting their judgment and integrity.
- Be responsible for your own safety; be alert to prevent accidents from flying pucks and other situations.
- Respect locker rooms as private areas for players, coaches and game officials.
- Be supportive after the game, win or lose. Recognize good effort, teamwork and sportsmanship.

# Welcome

**W**elcome to Amherst, New York, and The Northtown Center for the 2025 USA Hockey Boys National 15 Player Development Camp.

USA Hockey Player Development Camps provide America's top hockey players in each age group age-appropriate on- and off-ice training and instruction, as well as the opportunity for players to compete nationally against other players from their age group.

This camp features 12 teams and 216 players from each of USA Hockey's 12 Districts who will compete in games in addition to daily instruction and practices.

USA Hockey would like to thank all of its current and former players for their participation in this event, as well as the parents, staff and volunteers for their support.

### **NECK LACERATION PROTECTION**

USA Hockey requires use of neck laceration protection (sometimes referred to as neck guards) for all players, including goaltenders, in all age classifications, other than adults, in games and practices — as well as for on-ice officials under the age of 18. For clarity, this includes youth, girls and junior age classifications. USA Hockey continues to strongly recommend the use of neck laceration protectors for adult players.

# PLAYER DEVELOPMENT CAMPS SERVE AS PIPELINE TO THE WORLD STAGE

USA Hockey's Player Development Camps serve as a direct pipeline to international competition for young men and women. During the 2024-25 season, 114 players who participated in IIHF competition and the NHL's 4 Nations Face Off previously took part in a USA Hockey Player Development Camp.

Hilary Knight recently captained the U.S. Women's National Team to gold at the 2025 IIHF Women's World Championship in České Budějovice, Czechia. Knight credits her days at USA Hockey Player Development Camps as one of the reasons she went on to become a four-time Olympian. Knight also holds the IIHF record for most gold medals (10), overall medals (15), goals (67), assists (53) and points (120) in Women's Worlds history.

"I was in their shoes years ago," Knight said. "Seeing how our development program developed me as a player and as a person has been huge. I've been to Olympic Games and won world championships, and a lot of that has come from my experiences with these camps."

The U.S. Women's National Team's gold-medal squad of 25 players featured 21 players who skated in at least one USA Hockey Player Development Camp as youth players. The U.S. Under-18 Women's National Team that took silver at the IIHF Under-18 Women's World Championship had 19 PDC alums on its roster.

On the men's side, 74 players who took part in Player Development Camps skated for Team USA at the NHL's 4 Nations Face-Off or IIHF events such as the Men's World Championship, World Junior Championship and Under-18 Men's World Championship.

Ninety-six percent of the U.S. Under-18 Men's National Team that took bronze at the 2025 IIHF Under-18 Men's World Championship skated at a Player Development Camp.

Hampton Slukynsky, another PDC alum, donned the U.S. jersey at IIHF events twice in 2024-25, winning gold at the World Juniors before representing his country again at Men's Worlds. He also led the University of Western Michigan to its first NCAA Division I National Championship in April.

"My time at the Select 17 Player Development Camp was unbelievable," Slukynsky said. "I was super excited to be with the best players in the country in my age group to compete and have fun. It was incredible to meet a lot of new guys from around the U.S. and I'm grateful to have experienced that."

Other notable Player Development Camp alumni who represented Team USA this past year include Jake Guentzel, Matthew Tkachuk and Jeremy Swayman.

USA Hockey Player Development Camps continue to provide youth players from across the country opportunities to develop into elite prospects by training with and competing against the best players in every age group. The 114 PDC alumni who wore the red, white and blue on the international stage are a testament to the success of the model.
