Parkland Area Soccer Club Joins PA Dominion FC

March 27th, 2020

Parkland Area Soccer Club (Orefield, PA) (PASC) and PA Dominion FC are pleased to announce PASC has joined PA Dominion FC as its fourth affiliate soccer club.

PA Dominion FC is a 501(c)(3) non-profit collaborative affiliation between community soccer clubs that enables the pooling of resources (players, trainers, facilities) to benefit all levels of competitive travel players in all age groups. Organizationally, PA Dominion FC is a pathway for U13 and older travel players who strive to train and compete at a premier level in a non-academy setting. In addition to PASC, PA Dominion affiliates include Harleystville FC (Harleystville, PA), Boyertown Soccer Club (Boyertown, PA) and Valley Soccer Club (Upper Perkiomen Valley).

Mark Gartner, President of Parkland Area Soccer Club commented, "We are excited to be joining the other affiliate clubs of Harleystville, Boyertown and Valley. All the participating clubs share the same philosophical views on youth soccer placing an emphasis on developing the whole person at every age and level of play while supporting multi-sport and school athletics. Most importantly, this affiliation allows PASC to maintain our identity as a club while strengthening our presence in the Lehigh Valley."

Mike Freed, President of PA Dominion commented, "PA Dominion and its affiliate clubs are excited about the affiliation with PASC. PA Dominion and our affiliate clubs are thrilled to have PASC join us as we look to grow and expand what our club has to offer. We feel they share the same beliefs and philosophies as Harleystville, Boyertown and Valley, and we look forward to the opportunity to work side-by-side with them as we look to continue to bring a quality soccer experience to our players."

About Parkland Area Soccer Club - PASC was formed as a soccer-only club in 2004 and is a nonprofit 501(c)(3) organization. Over 2,400 players participate in PASC programming each year. The mission of the Parkland Area Soccer Club (PASC) is to improve ALL soccer players by providing a positive learning environment, including an age and skill appropriate training curriculum administered by highly trained coaches who develop players in the technical, tactical, physical, and psychological aspects of the game.
