## Quotes

### **Chicago Forward Matthew Coronato**

*On The Comeback Win:* "Knowing that we can be down in the third and just keep going, the drive that this team has, it's really great to see and we have a lot of confidence moving forward."

### **Chicago Forward Gunnarwolfe Fontaine**

*On The Penalty Kill:* "We've been going through a lot of stuff, making sure our details are right and it really helped us out today because we took some bad penalties that we shouldn't have taken but they (the penalty kill unit) held us together today."

### **Chicago head coach Greg Moore**

*On The Team's Rookies:* "Those guys: Doaner, Jaworski, Devlin, those guys absolutely worked tonight. They helped our team get moving in the right direction, at the right time, when needed. They have been working so hard every game this year, they don't get the ice time that a lot of the other guys get. Some guys have been healthy scratched at times, just because of the bodies we have right now and their care for the team and their care for their development and their care for doing things the right way was highlighted tonight and was really good to see them get rewarded."
