Divisional Guidelines Amendment Proposal Form

Proposed Amendments must be submitted in accordance with the corresponding current Divisional Guidelines published on the NWBA website: <https://www.nwba.org/divisioninfo>

Section: Article III, Section I, Subsection D

Proposed By: Women's Division commissioner

Summary of Proposed Change:

Remove from guidelines

Current Guideline:

adopt a budget for ensuring fiscal year to present to the NWA executive committee

Proposed Guideline: (All changes and/or deletions must be marked)

Strike this from the amendments

(d) The Executive Committee shall:

1) Transact the business and administer the affairs for the Division in accordance with the regulations of the Division.

~~2) Adopt a budget for the ensuing fiscal year to present to the NWBA Executive Committee~~

Rationale for change:

Because there are no planned income streams or recurring divisional expenditures to forecast, requiring the division to adopt and present an annual budget creates an administrative requirement without a corresponding fiscal purpose. Removing this requirement aligns the guidelines with the division's current operating structure while preserving appropriate oversight should funding or revenue-generation be established in the future.
