

Detroit Lakes Youth Hockey Association DIBS Waiver

It is the policy of DLYHA to make Hockey affordable to all youth. To accomplish this, DLYHA provides an opportunity to participate in a variety of fundraising activities, including but not limited to concessions, meat raffles, horse races, bingo, etc. Participation in these fundraising opportunities is voluntary. If a member does not want to participate in these fundraising events, they may choose to pay the additional \$500/skater.

DIBS: DLYHA provides opportunities for members to reduce their registration by participating in activities that help raise money for DLYHA, therefore reducing costs to all families. In order to participate, families are required to work **14-20 DIBS credits*** per registered skater per hockey season. There is a **\$500 participation fee deposit** for all registered skaters regardless of level. Your participation fee deposit will be cashed on January 31, 2021 if DIBS credits have not been completed/claimed.

By signing below, the named individual is choosing to participate in these fundraising options and is accepting responsibility for the completion of their required DIBS (per registered skater). In the event that all DIBS credits are not fulfilled, your participation fee deposit will be forfeited and cashed to pay the remainder of your registration.

- Families will be responsible to complete **14-20 DIBS credits*** per registered skater.
- Families with multiple skaters – you are responsible for the participation fee for all registered skaters regardless of level (can be written on one hold check).
- Please sign up as soon as possible to ensure that you get your DIBS completed in a timely fashion.
