

## 2019 Wisconsin WOTN Spring Teams

Thank you for trying out for a WOTN spring team. The excitement in having a successful turnout of skilled players has a downside in having to cut some high level athletes. Please understand that your player may well have been toward the top of the list but our teams consist of guards, forwards and posts. We wish we could add more teams but pride ourselves on top-notch coaches and excellent facilities that we are not willing to compromise. Also, remember some of the players on the list might turn down the opportunity to play on a WOTN team, therefore opening the door for the next player to participate.

Here are the 2019 WOTN Wisconsin spring teams listed in random order. You will be hearing from your coach to solidify your spot on the team.
