RULES

1. At the start of each game, captains from both teams shall meet at midfield for the coin toss to determine who shall start with the ball. The visiting team shall call the toss.
2. The winner of the coin toss has the choice of offense or defense. The loser of the coin toss has the choice of direction. Teams may not choose to defer to the second half.
3. The offensive team takes possession of the ball at the 40 yard line and maintains possession until they run out of downs. Once a team crosses the 20 yard line they have 4 plays to score a touchdown.
4. If the offense fails to score, or fails to gain a first down, the new offensive team starts at the 40 yard line.
5. All possession changes including interceptions, start on the 40 yard line.
6. Teams change sides after the first half. Possession changes to the team that started the game on defense.

II. Terminology

Boundary Lines	Length of field shall be 40 yard line - Goal Line. Width of field shall be from one sideline to Far Hash. The full End Zone shall be used.
Line Of Scrimmage	(LOS) an imaginary line running through the point of the football and across the width of the field.
Line-To-Gain	the line the offense must pass to get a first down or score.
Rush Line	an imaginary line running across the width of the field 7 yards (into the defensive side) from the line of scrimmage.
Offense	the squad with possession of the ball.
Defense	the squad opposing the offense to prevent them from advancing the ball.
Passer	the offensive player that throws the ball and may or may not be the quarterback.
Rusher	the defensive player assigned to rush the quarterback to prevent him/her from passing the ball by pulling his/her flags or by blocking the pass.
Downs (1-2-3-4)	the offensive squad has four attempts or "downs" to advance the ball. They must cross the line to gain to get another set of downs or to score.
Live Ball	refers to the period of time that the play is in action. Generally used in regard to penalties, live ball penalties are considered part of the play and must be enforced before the down is considered complete.
Dead Ball	refers to the period of time immediately before or after a play.
Whistle	sound made by an official using a whistle that signifies the end of the play or a stop in the action for a timeout, half time, or the end of the game.
Inadvertent Whistle	official's whistle that is performed in error.
Charging	the movement of the ball carrier directly at a defensive player who has established position on the field. This includes lowering the head, making contact with the defender with a shoulder, forearm, or the chest.
Flag Guarding	an act by the ball carrier to prevent a defender from pulling the ball carrier's flags by stiff arm, lowering elbow or head, or by blocking access to the runner's flags with a hand or arm.
Shovel Pass	a legal pass attempted beyond the line of scrimmage by throwing the ball underhand or pushing it towards a receiver in a shot put type manner.
Lateral	a backwards or sideways toss of the ball by the ball carrier.

**Unsportsmanlike
Conduct**

a rude, confrontational, or offensive behavior or language.

III. Eligibility

1. All players' must be legally registered with CFL or its members groups for their specific league before participating. Ages shall comply with the *CFL* Tackle D2 restrictions.

IV. Equipment

1. The League will provide each player with a flag belt and (2) socket cup type flags, or those provided by USA Football. The jersey and belt must remain tucked in. Teams will use the football required by their league(K2/PeeWee). Jerseys must be worn but numbers are not required.
2. Players must wear shoes. Football cleats are encouraged; however cleats with exposed metal are not allowed and must be removed.
3. Players may tape their forearms, hands and fingers. Players may wear gloves, elbow pads, and kneepads. Braces with exposed metals are not allowed.
4. Players must remove all watches, earrings and any other jewelry that the officials deem hazardous.
5. Official NFL FLAG powered by USA Football NFL jerseys are not required, but mouthpieces are!
6. Players' jerseys must be tucked into the pants if they hang below the belt line.
7. Pants or shorts with belt loops or pockets must be taped.
8. Flags must be worn on the hip, failure by any ball carrier to do so shall be blown dead immediately.

V. Field

1. The field dimensions will be from 40 yard line to Goal Line and include the full 10 yard EndZone. There will be a line-to-gain at the 20 yard line. No-Run Zones precede each line-to-gain by 5 yards. Field size may vary based on field availability for each league.
2. No-Run Zones are in place to prevent teams from conducting power run plays. While in the No-Run Zones (a 5 yard imaginary zone before the line to gain (20 yard line) and before the Goal Line), teams cannot run the ball in any fashion. All plays must be pass plays, even with a handoff.
3. Stepping on the boundary line is considered out of bounds.
4. Each offensive squad approaches only TWO No-Run Zones in each drive (one zone 5 yards from midfield to gain the first down, and one zone 5 yards from the goal line to score a TD).

VI. Rosters

Home teams wear dark color jerseys; visiting teams wear light color jerseys.

Teams must consist of at least 7 players, with a maximum of 14 players.

Teams must start a game with a minimum of 7 players. In the event of an injury, a team with insufficient substitute players may play with 6 players on the field, but no fewer than 6.

VII. Timing and Overtime

Games are played continuous clock with two, twenty (20) minute halves. The clock stops only for timeouts. Clock will also stop for 60 seconds following a score.

Halftime is 5 minutes long.

Each time the ball is spotted, a team has 45 seconds to snap the ball. Teams will receive one warning before a delay-of-game penalty is enforced.

Each team has two 60-second time outs per half.

Officials can stop the clock at their discretion.

In the event of an injury the clock will stop and then restart when the injured player is removed from the field of play.

If the score is tied at the end of 40 minutes, the League game should be determined a tie.

In tournament or playoff situations, an overtime (OT) Period will be used to determine a winner. OT format is as follows:

- a. Each team is allowed a minimum of one possession. The only exception is if the first offensive team throws an interception. In this case, the game ends with the intercepting team winning.
 - i. First possession choice goes to the winner of regulation coin toss.
 - ii. Each team gets a minimum of one possession.
- b. All regulation period rules and penalties are in effect.
- c. There are no time-outs.
- d. Each team will be scored based on yardage gained or points scored:
 - i. Yardage gained – each team will be given one complete series to drive the field as far as they can. The yardage gained will be noted by the official. The team with the most yards gained wins. If both teams score touchdowns and complete the same amount of points in conversions, the process then goes to sudden death format.
 - ii. Scoring – Same as regulation. The team with the most yards gained wins.
 1. Winning through yardage is equivalent to winning by 6 points for tie breaker purposes.
- e. Change of Possession:
 - i. Change of possession takes place when Team A's forward progress is halted on downs or scores a touchdown.
 - ii. Team B takes possession on the 40 yard line.

Team B begins on the 40 yard line unless Team A's possession ended in an interception. In this scenario Team B is winner.
- f. Multiple OT periods:
 - i. First OT period – shown above:
 1. Scoring teams can go for 1 or 2 point PAT.
 - ii. Second OT Period: Sudden Death Scenario

If, after the first overtime, the score is still tied there will be a coin flip to determine choice of Offense and Defense. Ball will be placed at the 25 yard line and Offense has 4 plays to score. If Offense scores they are determined winner. If defense holds they are declared winner.

VIII. Scoring

1. **Touchdown:** 6 points
2. **PAT (Point After Touchdown)** 1 point (5-yard line) or 2 points (12-yard line)
Note: 1 point PAT is pass only, 2 point PAT can be run or pass.
 - a. A team that scores a touchdown must declare whether it wishes to attempt a 1-pt. conversion (from the 5-yard line) or a 2-pt. conversion (from the 12-yard line). Any change, once a decision is made to try for the extra point, requires a charged time out. Decision cannot be changed after a penalty. Interceptions on conversions cannot be returned, and shall be blown dead immediately.

IX. Coaches

1. Coaches are typically volunteer parents or family members helping the players learn and enjoy the game. Parents are encouraged to support the coach at all time.

X. Live Ball/Dead Ball

1. The ball is live at the snap of the ball and remains live until the official whistles the ball dead.
2. The official will indicate the neutral zone and line of scrimmage. It is an automatic dead ball foul if any player on defense or offense enters the neutral zone. In regard to the neutral zone, the official may give both teams a "courtesy" neutral zone notification to allow their players to move back behind the line of scrimmage.
3. A player who gains possession in the air is considered in bounds as long as one foot comes down in the field of play.
4. The defense may not mimic the offensive team signals, by trying to confuse the offensive players, while the quarterback is calling out signals to start the play. This will result in an unsportsmanlike penalty.
5. Substitutions may be made on any dead ball.
6. Any official can whistle the play dead.
7. Play is ruled "dead" when:
 - a. The ball hits the ground.
 - b. The ball carrier's flag is pulled.
 - c. The ball carrier steps out of bounds.
 - d. A touchdown, PAT or safety is scored.
 - e. The ball carrier's knee or arm hits the ground.

 - f. The receiver catches ball while in possession of one or no flags - play continues until defender is within arms length.
 - g. The 7 second pass clock expires.
 - h. Inadvertent whistle.

NOTE: There are no fumbles. The ball is spotted where the ball carrier's feet were at the time of the fumble.

8. In the case of an inadvertent whistle, the offense has two options:
 - a. Take the ball where it was when the whistle blew and the down is consumed.
 - b. Replay the down from the original line of scrimmage.
9. A team is allowed to use a time out to question an official's rule interpretation. If the official's ruling is correct, the team will be charged a time out. If the rule is interpreted incorrectly, the time out will not be charged and the proper ruling will be enforced. Officials should all agree upon any controversial call in order to give each team the full benefit of each call.

XI. Running

1. The ball is spotted where the runner's feet are when the flag is pulled, not where the ball carrier has the ball. Forward progress will be measured by the player's front foot.
2. The quarterback cannot directly run with the ball. The quarterback does have the ability to scramble in the back field, but cannot advance the ball beyond the line of scrimmage, unless the defender crosses the LOS. The quarterback is the offensive player that receives the snap.
3. Only direct handoffs behind the line of scrimmage are permitted. Handoffs may be in front, behind, or to the side of the offensive player, but must be behind the line of scrimmage. The offense may use multiple handoffs.
 - a. "Center Sneak" play – The ball must completely leave the center's hands on the snap and the traditional Center Sneak is deemed illegal.
4. Laterals or pitches of any kind are limited to one per play, and may be either behind or past the line of scrimmage.
5. "No-Run Zones," located 5 yards before each end zone and 5 yards on either side of midfield are designed to avoid short-yardage power-running situations. Teams are not allowed to run in these zones if the subsequent line is LIVE. (Reminder: Each offensive squad approaches only TWO No-Run Zones in each drive – one 5 yards from midfield to gain the first down, and one 5 yards from the goal line to score a TD). Only if a defender crosses LOS can the QB run the ball.
6. The player who takes the handoff can throw the ball from behind the line of scrimmage.
7. Once the ball has been handed off in front, behind or to the side of the quarterback, all defensive players are eligible to rush.
8. Runners may not leave their feet to advance the ball. Diving, leaping, or jumping to avoid a flag pull is considered flag guarding.
9. Spinning is allowed, but players may not leave their feet to avoid a flag pull. Jumping in the air in a forward motion to advance the ball, while attempting to avoid a flag pull, is not allowed. Lateral moves to the left or right are permitted.
10. Runners may leave their feet if there is a clear indication that he/she has done so to avoid collision with another player without a flag guarding penalty enforced.
11. No blocking or "screening" is allowed at any time.
12. Offensive players must stop their motion once the ball has crossed the line of scrimmage. No running with the ball carrier.
13. Flag Obstruction – All jerseys MUST be tucked in before play begins. The flags must be on the player's hips and free from obstruction. Deliberately obstructed flags will be considered flag guarding.

XII. Passing

1. All passes must be from behind the line of scrimmage, thrown forward and received beyond the line scrimmage.
2. Shovel passes are allowed, but must be received beyond the line of scrimmage.
3. The quarterback has a seven-second "pass clock." If a pass is not thrown within the seven seconds, play is dead, the down is consumed and the ball is returned to the line of scrimmage. Once the ball is handed off, the 7-second rule no longer is in effect.
 - a. If the QB is standing behind the line of scrimmage at the end of the 7-second clock, the ball is returned to the line of scrimmage (LOS).

XIII. Receiving

1. All players are eligible to receive passes (including the quarterback, if the ball has been handed off behind the line of scrimmage).
2. Only one player is allowed in motion at a time. All motion must be parallel to the line of scrimmage and no motion is permitted towards the line of scrimmage.
3. A player must have a least one foot inbounds when making a reception.
4. In the case of simultaneous possession by both an offensive and defensive player, possession is awarded to the offense.
5. Interceptions change the possession of the ball and will be placed at the 45 yard line.
6. Interceptions are not returnable and must be blown dead, in an effort to avoid injuries.

XIV. Rushing the Passer

1. All players who rush the passer must be a minimum of seven yards from the line of scrimmage when the ball is snapped. Only 2 players can rush the quarterback, and must be positioned 7 yards off the line of scrimmage. Players not rushing the quarterback may defend on the line of scrimmage.
2. Once the ball is handed off, the seven-yard rule no longer is in effect and all defenders may go behind the line of scrimmage.
3. A special marker, or the referee, will designate a Rush Line seven yards from the line of scrimmage. Defensive players should verify they are in the correct position with the official on every play.
 - a. A legal rush is:
 - i. Any rush from a point 7 yards from the defensive line of scrimmage.
 - ii. A rush from anywhere on the field AFTER the ball has been handed off by the quarterback.
 - iii. If a rusher leaves the rush line early (breaks the 7 yard area), they may return to the rush line, reset and then legally rush the quarterback.
 - iv. If a rusher leaves the rush line early and the ball is handed off before they cross the line of scrimmage, they may legally rush the quarterback.
 - b. A penalty may be called if:
 - i. The rusher leaves the rush line before the snap crosses the line of scrimmage before a handoff or pass – Illegal Rush (5 yards).
 - ii. Any defensive player crosses the line of scrimmage before the ball is snapped – Offside (5 yards).
 - iii. Any defensive player, not lined up at the rush line crosses the line of scrimmage before the ball is passed or handed off – Illegal Rush (5 yards).
 - c. Special circumstances:
 - i. Teams are not required to rush the quarterback, seven second clock in effect.
 - ii. Teams are not required to identify their rusher before they play, however, if they do send a rusher, the rusher must verify with the official that they are in the correct position.
 - iii. If rusher leaves the 7-yard line before the snap, he/she may immediately drop back to act as defender with no offside penalty enforced.
4. Players rushing the quarterback may attempt to block a pass; however, NO contact can be made with the quarterback in any way. Blocking the pass or attempting to block the pass and then making contact with the passer will result in a roughing the passer penalty.
5. The offense cannot impede the rusher in any way. The rusher has the right to a clear path to the quarterback, regardless of where they line up prior to the snap. If the “path or line” is occupied by a moving offensive player, then it is the offense’s responsibility to avoid the rusher. Any disruption to the rusher’s path and/or contact will result in an impeding the rusher penalty. If the offensive player does not move after the snap, then it is the rusher’s responsibility to go around the offensive player and to avoid contact.
6. A sack occurs if the quarterback’s flags are pulled behind the line of scrimmage. The ball is placed where the quarterback’s feet are when flag is pulled.

XV. Flag Pulling

1. A legal flag pull takes place when the ball carrier is in full possession of the ball.
2. Defenders can not dive to pull flags, cannot tackle, hold or run through the ball carrier when pulling flags.
3. It is illegal to attempt to strip or pull the ball from the ball carrier's possession at any time.
4. If a player's flag inadvertently falls off during the play, the Referee will use his discretion as to when the defender is in an arms length and then the play will be whistled dead.
5. A defensive player may not intentionally pull the flags off of a player who is not in possession of the ball.
6. Flag guarding is an attempt by the ball carrier to obstruct the defender's access to the flags by stiff arming, dropping the head, hand, arm or shoulder, or intentionally covering the flags with the football jersey.

XVI. Formations

1. Offense must have a minimum of one player on the line of scrimmage (the center) and up to six players on the line of scrimmage. The quarterback must be off the line of scrimmage.
 - a. One player at a time may go in motion 1-yard behind and parallel to the line of scrimmage.
 - b. No motion is allowed towards the line of scrimmage.
2. Offensive players must come to a complete stop for one second before the ball is snapped unless he/she is the only player in motion.
3. Movement by a player who is set or a player who runs toward the line of scrimmage while in motion is considered a false start.
4. The center must snap the ball with a rapid and continuous motion to a player in the backfield, and the ball must completely leave his/her hands. Does not have to be between his/her legs.

XVII. Unsportsmanlike Conduct

1. If the field monitor or referee witnesses any acts of intentional tackling, elbowing, cheap shots, blocking or any unsportsmanlike act, the game will be stopped and the player will be ejected from the game. The decision is made at the referee's discretion. No appeals will be considered. **FOUL PLAY WILL NOT BE TOLERATED!**
2. Offensive or confrontational language is illegal. Officials have the right to determine offensive language. If offensive or confrontational language occurs, the referee will give one warning. If it continues, the player or players will be ejected from the game.
3. Players may not physically or verbally abuse any opponent, coach or official.
4. Ball carriers **MUST** make an effort to avoid defenders with an established position.
5. Defenders are not allowed to run through the ball carrier when pulling flags.
6. Fans must also adhere to good sportsmanship, as well:
 - a. Yell to cheer on your players, not to harass officials or other teams.
 - b. Keep comments clean and profanity free.
 - c. Compliment ALL players, not just one child or team.
7. Fans are required to keep fields safe and kids friendly:
 - a. Keep younger kids and equipment such as coolers, chairs and tents a minimum of 10 yards off the field behind the perimeter fence.
 - b. Stay in the end zone area, not between fields.

XVIII. Penalties

i. General

1. The referee will call all penalties.
2. Referees determine incidental contact that may result from normal run of play.
3. All penalties will be assessed from the line of scrimmage, except as noted. (spot fouls)
4. Only the team captain or head coach may ask the referee questions about rule clarification and interpretations. Players may not question judgment calls.
5. Games may not end on a defensive penalty, unless the offense declines it.
