

# NORTH AURORA BASEBALL ASSOCIATION

Greetings!

North Aurora Baseball Association is excited to announce our 2025 baseball season, & is seeking support from local businesses.

As one of the largest & longest-running organized youth sports programs in the Fox Valley area, NABA offers children ages 5-17 the opportunity to learn & play baseball in a fun & safe environment.

Your tax-deductible sponsorship helps maintain our program's field, equipment, & safety standards, while keeping family participation costs to a minimum.

To ensure your sponsorship, please return the completed form with payment by February 28, 2025.

Please contact me directly at [President@northaurorabaseball.org](mailto:President@northaurorabaseball.org) with any questions.

Thank you for helping our community learn & grow together!

Sincerely,

Jason Culpepper - President  
North Aurora Baseball Association
