

May 30<sup>th</sup>, 2019

Dear Arrowhead Baseball Families,

We have exciting news! We are launching a Sponsorship Campaign to raise funds for new outdoor batting cages built on concrete with a turf surface. Enclosing this structure in the next phase of planning will allow for use during inclement weather. We are also in desperate need of a new shed to keep our equipment protected. Did you know the baseballs are wet for practice after it rains and the pitching machines are frozen into a foot of ice from water leakage after a long winter? These additions will enhance our son's baseball experience at Arrowhead and continue to build on the program's success. This campaign will also create long lasting partnerships with area businesses.

Our goal is to offer 25 businesses the opportunity to advertise on the varsity outfield fence. They will display their 5' X 8' (possibly 5' X 10') banner for 3 years beginning with the 2020 season.

Cost for this unique advertising opportunity is \$1500. We are offering spots to the families of current team members first. If you own a business or work for someone in our community who would like to advertise with Arrowhead Baseball, please contact one of us by **June 21st** to reserve your space. If anyone has ties to a printing company that would work with us on cost let us know. A PDF file with artwork should be sent to [krace@wi.rr.com](mailto:krace@wi.rr.com).

After June 21st we will be forming a committee of parents to reach out to community businesses to fill the remaining spots. If you can volunteer to help let us know.

Sincerely,

Stephanie Race      [krace@wi.rr.com](mailto:krace@wi.rr.com)    262-844-9517

Ken Nyhouse

**Check for \$1500 can be made out to "Arrowhead Diamond Club" and sent to:**
